PROFESSIONAL EXPERIENCE

Co-Founder and Owner

Nov 2025 - Present

PublishPoint

- Directed continuous optimization efforts using search visibility and conversion data from Google Analytics.
- Unified product, content, and growth functions around PublishPoint KPIs.
- Spearheaded the creation of an AI-powered content platform that enables brands to scale output while maintaining voice consistency and SEO alignment.

Technical Support Specialist

Nov 2022 - Jul 2024

Staffing Future

- Delivered a full website design project for a key client from initial scope to go-live within 14 weeks.
- Managed QA and Go-Live operations, streamlining workflows to accelerate project launches by 15 percent.
- Communicated weekly with clients to address recurring support issues, reducing ticket volume by an average of 35 percent monthly.

PROJECTS

AI and the 2024 Presidential Election

Information Ethics and Policy - Fall 2025

- Gathered stakeholder sentiment, public survey findings, and platform policy on AI-generated media in the 2024 U.S. Presidential Election, surfacing key ethical risks and regulatory gaps impacting voter trust.
- Produced governance recommendations using utilitarian, deontological, and virtue ethics frameworks.

Recruiting and the Use of Artificial Intelligence

Survey Design Research - Spring 2025

- Worked with recruiting research and teammates, designing and launching a Qualtrics survey to assess bias, trust, and hiring quality across AI adoption states.
- Analyzed and reported survey results in Excel, identifying an employer-candidate perception gap and delivering recommendations on transparency, human oversight, fairness, and data accountability.

Contract Pickup Proposal for BustoShow and Rayback Collective

Technical Communication and Design - Spring 2025

- Coordinated with teammates to design a sustainable transportation agreement supporting community event logistics in Boulder.
- Formulated and refined the proposal and contract drafts, ensuring legal precision and persuasive clarity to strengthen the partnership.
